

1. **Passenger Safety:** The driver is responsible for ensuring the safety of passengers inside the vehicle by following traffic rules, driving responsibly and avoiding distraction while driving.
2. **Safety of other road users:** The driver is responsible for the safety of other road users including pedestrians, cyclists and other drivers. This includes obeying traffic laws, being aware of your surroundings and driving responsibly and safely.
3. **Vehicle Maintenance:** The driver is responsible for ensuring that the vehicle is properly maintained, including regular inspections, oil changes and tire rotations to ensure that the vehicle is in good condition.
4. **Adherence to traffic laws:** To ensure the safety of all road users, drivers must obey all traffic laws, including speed limits, road signs and signals.
5. **Avoiding distractions:** Drivers should avoid distractions while driving, including using mobile

devices, eating, and applying makeup, to ensure they are fully focused on the road.

6. Prepare for emergencies: The driver should be prepared for emergencies like breakdowns by carrying a spare tire, first aid kit and emergency equipment.
7. Environmental Awareness: Drivers must be aware of environmental conditions such as weather and road conditions, and adjust their driving accordingly to ensure the safety of all road users.
